

Frequently Asked Questions

When will I find out what team I have been placed on?

Every athlete and/or parent will receive a phone call from their 2009-10 team coach. We anticipate calls to be made anytime between Tuesday, May 5 and Thursday, May 7, mostly in the evening. Coaches will use the number provided on their application completed at try-outs. Please do not call Cheergyms.com (Motions Cheer Gym or Pyramids Cheer Gym), as the Front Desk will not have access to tryout results.

When is our first practice?

Practices will begin the week of Monday, May 11. When the coaches call to inform you of team placement, they will also let you know your practice days and times. They will also give you a reminder of the contract signing day.

How do I pay for tuition?

Every athlete (including returning athletes) must submit a completed Financial Agreement for the 2009-2010 Season. Tuition is collected May '09 through April '10. This form is due on Friday, May 8 (Motions/All American/College Athletes), or Saturday, May 9 (Pyramids/All American/College Athletes). Athletes will not be able to participate in practices without this completed form.

When will we order practice clothes?

Practice clothes will be available in the gyms and online (www.cheergyms.com) by June 1st. Mandatory Cheergyms.com practice clothes will begin July 1st.

When will we order our uniform?

Athletes will be sized for uniforms during camp. Following camp, you will receive an order form that will list the items that are needed for each athlete. Payment will be due July 1 in order for the uniform items to be ordered. If we do not receive payment by July 1, you risk not receiving a uniform in time for the first competition. There will also be used uniforms available to purchase during that week of camp.

When is camp?

Camp will be held at Pyramids Cheer Gym, times are to be determined.

Tiny, Mini, Youth Teams Camp: **June 22-23.**

Junior, Senior Teams Camp: **June 24-25.**

All American Teams Camp: **June 26-27**

Cheergyms.com Spirit Day (mandatory for all teams): **Sunday, June 28.**

When are competition fees due?

The competition fee deposit is broken into two equal payments depending on what team you are placed on. The first payment (50%) is due on August 1. The second payment (50%) is due on October 1. We will do our best to keep the cost of the competition fees under the deposit you pay, but if the fees come out to be more, you will be invoiced the remaining balance. If the fees end up less than the deposit, a credit will be given on April 1.

Who is my Team Rep?

Following tryouts, a Team Rep will be appointed to assist the Cheergyms.com staff. Your Rep will provide you any information given to them from Cheergyms.com, contact you about additional team practices, meet the athletes at competitions, and much more! We are honored to work with our Team Reps and hope you will get to know yours this season.

If you have any other questions, please contact Derick at 925-685-8167 or derick@cheergyms.com
